"If Mr. G. don't want to enjoy the good things of life, no one, I am sure, will insist on his doing so, but I for one am in favor of having a decent and lawful place to quench the thirst and not be forced to dodge behind some cow or horse or what not and drink from a bottle." The man who is willing to dodge behind the cow, horse, etc., to drink, or who cannot refrain from drinking for a few hours while at the Fair, in the presence of ladics and children, should be at the Keeley Institute and not upon the Fair Grounds.

"I have been a regular attendant at our State fairs, and have not in one single instance seen disorder in the grounds from drink." Does "A Constant Reader" mean to say that there was no disorder, drunks, and arrests at the Fair Grounds as a result of strong drink? If so, then he misses it just about as far as he does in some of his other statements. Yes, "ingratitude," is a great sin; but I shall never feel grateful to the man, or to the men, that strive to keep the temptation of strong drink before the weak, the young and those who cannot resist the temptation, for the sole purpose of making money. If the widows, the orphans and the helpless ones did not suffer, there could be less sympathy for the fellows who cannot combat with temptation. ## QUERIES & **ANSWERS**

What salary does Ty. Cobb draw in his last contract? The terms have not been made pub-lic so far as we know.

Ty. Cobb.
Fatima.

Please tell me who Fatima was, and when she lived. W. R. BURKE.

There were many Fatimas. Probably the daughter of Mahomet was the most distinguished, as she was formally pronounced one of the four perfect women. Fatima is in the "Arabian Nights" and in "Bluebeard" and in many other folk tales, and the name was greatly favorite in the Eastern romantic stories.

Steam.

Is steam visible? F. P. OLIVER.

Yes.

Charlottesville to Washington.

Going directly from Charlottesville to Washington by Gordonsville, how far is it, and through what towns does one pass?

About 115 miles. Gordonsville, Orange, Culpeper. Calverton, Manassas and the city of Alexandria. A C & O. folder will give you all information.

Ladies Only.

Is there a place in Richmond where women may get Turkish baths? Where they may be taught to swim? Where they may have their eyes treated free? What does "filet" mean?

Yes, to the first three queries. Fillet comes from the Latin, filum, a thread it means a narrow band, a narrow ornament or molding, or a boneless lump of flesh held together by a fillet, or bandage, and, from that, the fleshy part of the thigh in yeal.

What is the most authentic history of John O'Groat's House? FRANK C. MORRIS. FRANK C. MORRIS.

Probably the Records of Caithness, but any good encyclopedia would contain a sufficient history of the place.
